ITALY

lips

ROUGE MAT

Matt lipstick

REF. 18 - 4 colours

Four new colors of Rouge Mat in an even more performing formulation that offers unusual results of lightness and compactness. Lipsticks with the extraordinary softness characteristics of a powder product, without however drying the lips.

138 142 143 144

LIP STUDIO

Covering matt lipstick

long lasting - REF. 45 - 2 colours

A velvety and soft formulation for an intense result and immediate coverage.

Specifically developed to achieve a **perfect balance** between **hold and comfort**, Lip Studio combines **extraordinarily durable texture** with precious soothing and anti-oxidant active ingredients: **Apricot Kernel Oil and Vitamin E**.

Close tightly after use.

12 13

SUNSHINE SPF 30

High protection lipstick **uva + uvb**
REF. 75 - 5 colours

Lightweight and enveloping, it is enriched with Shea Butter with revitalising and nourishing properties for lips that are always soft, smooth and protected.

Contains Rosehip Oil and Macadamia Esters.

TWIST ME UP

Soft-matt lipstick with smoothing blurring effect
REF. 68 - 4 colours

An extraordinarily creamy and comfortable Jumbo twist lipstick. Contains powders with soft-focus action that optically smooth the lips, giving an even-looking and consistent result.

Enriched with agents* containing moisturising and nourishing properties, it coats the lips giving an intense, soft-matt colour and a sensation of wellbeing that lasts a long time.

*Contains Mimosa Wax, Vitamin E, Sunflower Wax, Jojoba Wax and Shea Butter.

BUTTERFLY

*Super longwear waterproof
silky effect - REF. 70 - 9 colours*

Delicately creamy, this amazing matt lipstick in a jumbo twist format glides over the lips as lightly as silk. Can be applied in a single stroke, fast and light as the flutter of butterfly's wings.

INSTRUCTIONS

To be worn alone or on top of another lipstick to emphasize the lip volume with a contouring effect. Can be used as a base under another lip product for a long lasting look.

The waterproof and long lasting formulation does not smudge or dry out the lips.

ULTRA-RICH LIP BUTTER

Ultra-rich butter - REF. 58

EXTREME PROTECTION FOR VERY DRY LIPS

A rich and creamy formula that nourishes deeply, bringing instant relief to chapped skin. Gives lasting softness and sweetness, delicately smoothes the lips thanks to the **Wild Mango Butter** and **Shea Butter** which combat roughness and chapping for a mouth that is divinely soft and plump, as if regenerated.

SCULPTING TOP COAT

Contouring & ombre
effect lip gloss
REF. 69

An extremely sensory top coat to emphasize volume with a sculpting effect for ombre lips.

Enriched with Camellina Oil and Olus Oil with nourishing, emollient properties, it melts deliciously onto the lips, enhancing them.

1

STROBING TOP COAT

Ultra reflex
lip highlighter
REF. 74
2 colours

Lip highlighter with a strobing effect.

Lip top coat infused with ultra reflex pearls to emphasize volume with a shimmering and radiant effect.

Apply alone or on top of lipstick to enhance the underlying colour with a desirable glow.

The lightweight and creamy formula blends deliciously onto your lips, giving extreme shine without weighing them down.

1

2

ONE-TOUCH HOLO

*Illuminating lipstick
with a strobing effect*
REF. 71

Soft, creamy and sensory, it blends on the lips, enveloping them in radiance.

Perfect alone or on top of lipstick to embellish the underlying colour with a shimmering glow. Very easy and quick to apply, just one touch to instantly transform your look!

Dermatologically tested.

1

FLASHLIGHT

Lip & eye sparkling topper - REF. 73

Highlighting top coat for eyes and lips.

An explosion of shimmering glitter to create multidimensional looks and innovative shades.

Perfect for highlighting matt eyeshadows and lipsticks, it can also be used alone.

Its melting and silky formula adheres perfectly to your skin without fallout.

1

CONTOUR & STROBE LIP PALETTE

Contouring & strobing palette

REF. 72

A small palette containing infinite possibilities of shades to create multidimensional looks and innovative colours. Silky and melting powders with a "lurex" effect on the lips to create light effects and sculpt the shape.

An explosion of metallic colours, perfect for highlighting matt and shiny lipsticks and defining the lip contour.

1

Sculpt & Contour

A gel enriched with highlighting flecks, like a real cascade of glitter, dispersed in an extremely sensory poured formula.

Shimmering
Strobing Look

LUXURY LIP PENCIL

Creamy lip pencil - REF. 66

2 colours

The full and intense colour is ideal for drawing a lip contour which can be delicately blended inwards.
Dermatologically tested.

1

2

PRODIGY

Velvet lip pencil super longwear - waterproof

REF. 65 - 2 colours

A creamy and easy-glide pencil. Prodigy contours and fills lips divinely with flawless precision and incomparable softness.

Easy to blend straight after application, provides a long lasting, covering effect.

Dermatologically tested.

eyes

COAL BLACK KAJAL

Eye pencil - REF. 326

The result of the very latest in scientific research, this coal-black kohl is unbelievably light and goes on with the lightest touch. For full, lasting cover.

Its special ingredients help brighten your eyes.

Ideal for lining the inner eye rim. Smooth and creamy formula. Ophthalmologically and dermatologically tested.

1

SMOKY KAJAL

Smoky effect kajal + eyeliner
12h non-stop - REF. 371

WATERPROOF DOES NOT BLEED

A velvety pencil offering incredibly intense colour and high performance, ideal for "smoky" eye makeup.

Extremely soft to apply, it can be quickly blended in to get an extremely long lasting look.

Ophthalmologically and dermatologically tested.

Close cap well after use.

1

LUXURY EYE PENCIL

Eye pencil - REF. 703 - 2 colours

A soft and glide-on formulation that releases a full and intense pigment which can be easily blended by hand or with a brush.

Can be used both on inner eye or externally.

Thanks to the richness of its colour, it is perfect for blending under eyeshadow, for enhanced coverage and duration.

Ophthalmologically tested.

2

3

CAT EYES

Jumbo eyeshadow pencil - kohl - eyeliner
super longwear 11h - waterproof
super soft & multi-use - **REF. 396** - 3 colours

A SOFT, MELTING MULTI-PURPOSE JUMBO PENCIL!

Extremely rich in pigment, it defines and highlights eye contours in an instant like a **WATERPROOF EYELINER**, conferring intense colour, excellent coverage and high definition.

Thanks to its instant colour release, it enhances the inner lash line of the eyes like **KOHL**.

It glides delicately over the eyelids like silk and can be blended in an instant like long lasting **EYESHADOW**.

It is easily blended immediately after application.

Close cap tightly after use. Ophthalmologically and dermatologically tested.

PERFECT EYELINER

Eye pencil - **REF. 342**

Ultra soft wooden eye pencil, with applicator.

Due to innovative technology, it has a soft texture, contains intense pigments and is extraordinarily smooth to apply.

Its special formula makes for decisively **optimum coverage**, exceptional comfort and soft and easy application.

Dermatologically tested.

SUPER LONGWEAR SOFT EYELINER

10h long lasting eyeliner - REF. 346

Long lasting, waterproof and no transfer eyeliner.

Easy to apply and blend, delivers **excellent coverage** and **professional results**.

Contains **Vitamin E + C + Jojoba Oil** with softening and antioxidant properties that ensure maximum protection for the delicate skin of the eyelids.

Close cap well after use.

Ophthalmologically and dermatologically tested.

1

CELEBRITY

14h eye pencil no transfer -waterproof
REF. 376 - 2 colours

Thanks to its outstandingly soft creamy formula, this eye pencil glides over the eyelids just like a liquid eyeliner.

Blends imperceptibly into the skin. Lets you smudge it gently before it fixes for lasting results.

Close cap well after use.

Ophthalmologically tested.

13

14

Pointed Tip Sharpener

Double Pencil
Sharpener

ZERO GRAVITY

Lift mascara

REF. 701

Defines, volumises and lifts eyelashes upwards, for a Zero Gravity effect!

Thanks to an exclusive, flexible and arched applicator, captures eyelashes from root to tip, fanning them out for a surprising result!

Contains Diamond Powder, with an energising effect, and Argan Oil with nourishing and regenerating properties, for lashes that are always pampered and perfect.

Ophthalmologically tested.

1

BLACK IN A FLASH

Spectacular black mascara - amazing visual effects: instant volume professional curling - extension - definition - REF. 374

A Hi-Tech formula to improve the look of your lashes: high definition and the visual effect of extreme volume and separation in just one sweep. Quick, easy and smooth to apply for perfect results.

The synergic action between the elastic waxes, special fast-drying filming agents and a custom curved wand provides immediate professional re-styling to shape your lashes at will immediately after application.

Ophthalmologically tested.

1

LASH LIFT EXPRESS

*Instant volume
and perfect curve
visual effect mascara*
REF. 338

Designed to visually thicken your lashes and to accentuate their natural curve, this mascara gives you an intense, deep look all day long.

Its formula consists of carefully selected ingredients, combining waxes and polymers with a visual **volumising and curving effect** with active ingredients rich in peptides and oligosaccharides with protective properties.

Contains Vitamin E with antioxidant properties.

Ophthalmologically tested.

1

LASH DESIGN MASCARA

*Visible effect mascara
extreme length for defined
and sculpted lashes*
REF. 352

Zone with
voluminous
effect fibres

Comb zone

to sculpt eyelashes

Gives lashes a **magnificent and immediate visible lengthening effect** thanks to its innovative applicator that improves lash extension and separation.

The soft, creamy formula with a visible volumizing effect glides gently over your lashes.

A nourishing complex based on **Sweet Almond Extract** and **Provitamin B5** helps moisturize and protect them.

Dermatologically tested.

Variable geometry applicator for a panoramic effect.

1

LASH MASTER

Volumising & defining effect mascara

REF. 377

3-IN-1 MASCARA FOR MULTIPLE DIFFERENT LOOKS

USE 1 VOLUMISING EFFECT

USE 2 DEFINING EFFECTE

USE 1+ 2 PROFESSIONAL RESULTS

Dare to create a new look with lash master mascara and experiment with application techniques.

Contains Keratin, Panthenol and Vitamin E.

Ophthalmologically tested.

1

JET BLACK

Pen-style eyeliner - easy, intense strokes

no transfer - water-resistant - super longwear 14h - REF. 369

An eyeliner offering **graphic precision** when drawing the eye contour, with a comfortable precise tip for **easy, fast strokes**. **Intense black, high coverage, long lasting and smudge-proof.**

Avoid holding the tip of the brush upright to get the best results.

Ophthalmologically and dermatologically tested.

1

ALL NIGHT LONG

Pencil eyeliner - no transfer
waterproof - no running - 18h - **REF. 702**

Its ultra-intense formula and extremely soft tip enable a precise and even contour, right from the first stroke.

No-run and instant set colour!

For optimal use do not use with pen tip facing upwards.

Ophthalmologically and dermatologically tested.

1

TOPLINER

Matt eyeliner
no transfer
water-resistant
super longwear 12h
REF. 311

Easy and practical for drawing the outline of the eye using the brush dipped into the liquid and for thickening the eyelashes. Long lasting, no smearing.

PROPERTIES Intense colour, matt, good coverage and long lasting.

MAKEUP HINTS The special brush lets you draw a particularly thin line that blends in with the lashes to make these appear thicker.

Shake well before use.

Ophthalmologically and dermatologically tested.

1

NIGHT & DAY EYELINER

Eyeliners 24h

REF. 709

Its black, pigment-rich colour is intense and bold.

Creating a perfect line has never been easier: the calligraphy applicator allows you to draw an ultra-thin and defined line for a seductive and sophisticated result, while the ergonomic handle makes hand movements easier. It does not create smudges.

And with the **thermosensitive technology**, you can remove your makeup by simply cleansing with plenty of warm water: no more "panda effect" under your eyes!

Shake before use.

1

PERFECT TOUCH

Primer for powder
and cream eyeshadow
REF. 373

Developed to intensify and maximise the wear of powder and cream eyeshadows, Perfect Touch Primer creates a **sebum-absorbing** layer between the skin and your makeup, making it easier to apply eyeshadow and keep it in place for a long time. Its delicate colour hides small blemishes on the eyelids and brightens the eyes. The formula contains a special rice powder that leaves the skin feeling soft and silky, and Hyaluronic Acid, a special active ingredient that helps keep wrinkles at bay.

USE

Apply a small amount of the product to the eye area before applying eyeshadow, spreading it evenly over the eyelids. Allow to dry. Apply this primer before any foundation and then proceed as normal. Close container properly after use. Ophthalmologically and dermatologically tested.

HIGHLIGHT

Brow luminizer
waterproof
super longwear 10h
quick dry
REF. 708
2 colours

Available in both matt and pearly versions, it instantly illuminates the eyebrow arch. It is easy to apply using the special brush and can be quickly blended. Dries straight away, does not stain and does not run. Ensures a flawless look throughout the day. Can also be used as a light reflection to illuminate the inner corner of the eye and the cupid's bow. Dermatologically tested.

AQUACOLOR

Wet & dry watercolour eyeshadow

REF. 336

Watercolour eyeshadow with a satin sheen.

Can be used dry for a luminous, semi-transparent look or wet, using a damp brush, to intensify the iridescent effect and get longer-lasting coverage.

35

WONDER SCULPT

Palette of 9 eyeshadows - spectacular makeup

REF. 393 - 3 colours

1

2

3

These eyeshadows have a really smooth matt texture to enhance your eyes for an impeccable look.

They combine perfect hold and ease of application thanks to the very latest technology, which transforms this small palette into a real treasure.

Silver Palette Eyeshadows

eyebrows

MICRO BROWLINER

Micro eyebrow pencil - waterproof - no transfer - long lasting

REF. 384 - 2 colours

Fine and extremely precise, it lines, defines and fills eyebrows for a truly natural effect in just a few quick strokes.

Waterproof formula, resists even hot, humid weather, it is long lasting and doesn't smudge. No need to sharpen the tip.

Contains Vitamins E + C.

Dermatologically tested.

2

3

ABSOLUTE BROW SHAPER

Super longwear brow shaper 10h - no transfer - waterproof

REF. 700 - 2 colours

Fills and shapes brows giving them full and natural shading. Glides across the skin like a gel, without leaving any visible lines.

The professional applicator featuring an oblique cut has specifically designed materials and shape to ensure delicate and flawless blending.

Dermatologically tested.

1

2

EYEBROW PENCIL

Eyebrow pencil

REF. 329 - 3 colours

A dry, heat-resistant pencil. Once applied, can be softened with its brush to enhance your eyebrows.

A special formula for gentle shaping and natural filling of the eyebrow.

Dermatologically tested.

EYEBROW KIT

REF. 705 - 2 colours

EYEBROW KIT 10

EYEBROW KIT 11

AN EXTRAORDINARY KIT FOR PERFECT BROWS!

Includes:

- A tinted wax to intensify your brows in a natural way. Can be used alone or as a base to give long lasting fix to powder eyeshadows.
- Three powders to draw, define and fill in the sparse areas of the brows.
- Three durable stencils, easy to clean and designed to last. Ideal for full and natural-looking brows. Essential for creating a clean and perfect shape.

HOW TO USE

For a natural effect, fill in and define the shape of your brows with the powders, using the lightest colours on the initial part of your brows and the darker ones on the final part.

For a more intense and long lasting effect, first apply the wax and then the powder, focusing on the sparser areas.

SHAPES CONTENUTE

11

NO TRACE

Powdery brow pencil

REF. 706 - 2 colours

Perfect for blending without leaving a trace, this powdery touch pencil is ideal for filling, lengthening and modelling eyebrows. For a natural and clean look that is never artificial. Its extremely thin and delicate matt formula blends as effortlessly as silk.

Dermatologically tested.

1

2

WONDER BROW STENCIL KIT

Brow stencil kit

CONTAINS 10 STENCILS FOR 5 DIFFERENT LOOKS

Find out how to make the most of your eyebrow shape, with our stencil kit. Perfect for flawlessly drawing, shaping and defining the brows.

Made of durable plastic, the stencils are easy to clean and designed to last over time.

Natural: for medium-width brows

Seductive: for brows with a well-defined arch

Dramatic: for a more curved and defined arch

Thin: for thin brows

Diva: for a rounded arch

ALL DAY LONG

Brow marker - natural and delicate matt line
non-smudge, sweat-proof - water-resistant - 18h - **REF. 707** - 2 colours

FOR A NATURAL DASHED STROKE EFFECT

The delicate and transparent formula contains mineral pigments that enable you to achieve an extremely natural look.

The special conical tip of the marker creates fine and precise lines that mimic eyebrow hair.

The marker can also be used to achieve a more defined and sculpted look. In this case, in addition to filling, the upper and lower edge of the arch can be outlined by defining the desired design.

The colour does not smudge and resists perspiration for 18 hours!!!

For optimal use, avoid holding the tip of the marker upwards.

Dermatologically tested.

For a sculpted and intense result

1 - OUTLINING

Draw the desired contour.

2 - FILLING

Fill the sparse areas and intensify the end part of the brows, gradually blending as you go inwards.

CONTOUR QUAD

Face contouring palette - nude effect
REF. 466

Softens facial contours and revives your complexion, for a luminous and natural look.

20

GOLD & BRONZE

Face powder with a brightening
and/or bronzing effect - **REF. 427** - 4 colours

An ultra-light texture is a leading feature of these powders with their extraordinary luminosity. Matt or pearl, they blend perfectly into the skin thanks to the use of carefully selected, fine pigments that alter reflected light to get a uniform result, without blotches.

34

35

36

37

K-LIGHT

Face brightening
REF. 468

The perfect key to capture the light and illuminate the particularities of every woman's face. A perfect ally to embellish all looks, a veil of powder that illuminates the face in a refined way. Its formula melts and glides on the skin like a precious cuddle that gives a three-dimensional light and a radiant complexion. Versatile product that can be used alone to illuminate the complexion and create a unique play of light, or combined with other products to sculpt the face.

INSTANT GLOW

Skin illuminator primer face and body

REF. 446

Skin illuminator primer with a fresh, sheer formulation. For bright and radiant skin, thanks to **tiny pearl particles that capture and spread light** through a delicate optical effect, **erasing the first signs of tiredness**, while leaving the skin smooth and even.

Can be used on its own for a slightly pearly look or before applying foundation, for a naturally radiant complexion.

A mix of Vitamin E, Sunflower Oil and Jojoba Oil helps protect and regenerate your face, thus making this product particularly suitable for combined/dry skins.

Shake well before use.

2

MAKEUP FIXER

Fixer spray

REF. 434

This spray fixes your makeup to ensure lasting effects without smudging. Provides protection against all agents likely to ruin your makeup.

A fine mist instantly coats your face with a fine, invisible and comfortable elastic film.

Contains **Chamomile and Marigold Extracts with soothing properties.**

INSTRUCTIONS FOR USE

Spray on face at a distance of around 20 cm with eyes closed and leave to dry completely.

Does not contain propellant gases. Keep out of the reach of children. For external use only.

Do not spray on naked flames.

DIVINE COVER

Waterproof foundation

REF. 465 - 3 colours

The secret for perfect skin: DIVINE COVER

A foundation for divine and immediate coverage.

Enriched with hydrating and nourishing agents, it glides softly over skin thanks to its rich and creamy consistency, for uniform and radiant complexion, absolutely perfect for every occasion.

Formulated for high waterproof coverage, confers all day luminosity, without a mask effect.

Easy and quick to apply.

Contains Macadamia Oil, Vit. E, Sweet Almond Oil, Pectin.

Dermatologically tested.

BB WHITE

Skin tone perfector

REF. 452 - 2 colours

The magic of a White Cream that only reveals its secret in contact with the skin: an extraordinary colour, released by microencapsulated pigments, which perfectly blends with the complexion of the face, enhancing and perfecting skin tone for a fresh, luminous, matt effect. The gentle, pleasant formula offers a very light veil of colour that is easy to apply.

Contains a precious active ingredient derived from Brown Algae from Brittany, a true Energy Booster that helps to stimulate the skin's vitality, promoting the natural synthesis of Collagen, Elastin and Hyaluronic Acid.

Result: a natural, uniform complexion, firmness and tone.

Suitable for all skin types.

Dermatologically tested.

SKIN VELVET

*Velvety foundation
instant radiance - longwear*
REF. 431 - 7 colours

NATURAL RADIANT COLOUR

Its delicate creamy consistency offering medium/high coverage and easy blending in creates a visibly perfect complexion. Brightens, tones and perfects tired, dull and lifeless skin in just one stroke. In just one product, Skin Velvet combines the perfect coverage and velvety smoothness of a rich creamy texture with natural radiant end results.

Thanks to its innovative formula based on fine waxes and coated pigments, it slides over the skin creating a super soft film that instantly blends into and brightens the skin.

COMFORTABLE AND LONGWEARING

A velvety brightening cream that caresses your skin and offers unparalleled comfort. For a perfect, natural and radiant complexion all day long. For normal to dry skin types. Dermatologically tested.

SKIN COLOR DISPLAY

Size 27x21 cm

PHOTO FINISH

Fluid foundation
radiant matt effect
oil-free - long lasting
REF. 438 - 10 colours

Brightens the face without shine.
Guaranteed impeccable, **natural MATT smoothing effect.**
Great coverage without heaviness.
For all skin types. Especially suited for mixed/oily skins.

PHOTOGRAPHIC PERFECTION

Special coated pigments diffuse **extraordinary radiance**, enhancing the splendour and freshness of your complexion.
Wrinkles, pores and blemishes are concealed and reduced for a natural, radiant look and a delicate perfect final **"MATT"** effect.

LONG LASTING EFFECT AND COMFORT

Its **ultra elastic formula** makes for easy and silky smooth application.
Embraces the skin **without stiffening lines** and produces a reassuring **sense of comfort** all day long.
Shake well before use.

UNICAKE

*Oil-free silky powder foundation
radiant, matt finish
versatile
adjustable coverage
REF. 425 - 7 colours*

69 *Palette Unicare 8 colours*

Intangible and silky, it immediately blends in, like a **second smooth and perfect skin**.

Visibly evens out the complexion and **produces a matt, natural look**.

Microscopic light-reflecting pigments give a radiant glow.

OIL-FREE FOUNDATION

Easy to apply with a slightly moistened sponge. Conceals imperfections and leaves an even, flawless appearance from morning to night.

This compact and even foundation does not need an extra layer of face powder, as its **special oil-free formula is rich in mineral emollients** and leaves a fine, adherent, velvety and long lasting layer.

POWDER WITH A MATT ILLUMINATING TANNING EFFECT

Applied over a basic emulsion or as a first layer with a large brush.

For a flawless and radiant complexion.

FACE POWDER WITH A SMOOTHING EFFECT

Apply after foundation or directly to the skin using its dry sponge or a brush to get a matt complexion and **visibly minimise the pores**.

Its fine texture is extremely soft and comfortable on the skin.

Useful for touch-ups during the day and especially on the T-zone **for an instant matt finish**.

For normal or oily skin.

DOUBLE CONCEALER PENCIL

Double concealer pencil

REF. 418

Fast and practical, helps cover dark circles and hide minor facial flaws.

MAKEUP HINTS

For dark circles just draw a semi-circle around the eye and blend lightly with your fingers.

Can be applied under or over foundation.

To hide pimples draw small dots precisely onto the affected area and blend with your fingers or a small brush.

The colour duo allows you to mix two different tones to get a close match for your complexion.

Dermatologically tested.

COLOR CORRECTION PALETTE

Professional color correctors

REF. 449

An extra delicate "Cream-to-Powder" formulation for correcting face and eye contour color.

For a satin-look complexion.

Contains **Vitamin E** to fight free radicals.

1

PLAISIR

Silky loose powder
REF. 433 - 2 colours

FOR A PEACHY COMPLEXION

Unbelievably fine powder that glides across your skin like silk, blending in with your natural colour without streaking for a **natural flawless finish**.

Available in matt and pearl versions.

Dermatologically tested.

MATT - 1

Absorbs and reduces excessive shine, improving makeup hold.

Its gentle consistency has the visual effect of **brightening and smoothing** your complexion, at the same time enhancing your natural colour.

PEARL - 2

Absorbs excessive shine, gently reviving your complexion.

Radiant skin thanks to **thousands of tiny glittery stars**.

For all skin types.
