TAURUMI

GOLDEN OIL INFUSION FACE-BODY-HAIR

Inspired by an ancient Polynesian holistic ritual, Taurumi is distributed over the skin with a light and pleasant massage.

Like an indulgent treat, its perfume evokes the flowers, fruits and sand of Bora Bora and the coconut powder, restoring wellbeing and instantly making us feel at one with nature again.

It creates a refined light on the body and hair, without feeling greasy, and gives the face a "sun-kissed" look, a summer glow to show off all year round which enhances the tan on the most olive skin types and brightens fairer complexions.

Contains: Gardenia Tahitensis Flower, Aristotelia Chilensis Leaf Extract, Sunflower Seed Oil, Sweet Almond Oil, Coconut Oil and Rosemary Leaf Extract.
Shake well before use.
